About Fairox

About Fairox

Realizing your dreams

Become the World's No.1 Gaming platform Within three years

Fairox is a Global iGaming Membership project.

Fairox iGaming Group operates a global online gaming membership project based on blockchain technology. This seamlessly links and integrates various international online gaming platforms into Fairox gaming ecosystem. Thus, enabling members to participate and enjoy online games from all over the world in the safest way.

With its unique business model, Fairox members can even enjoy the profit share generated by its platform, making it a truly sustainable gaming ecosystem that provides a win-win situation for all stakeholders.

Realizing your dreams

The Global 1st Initial Membership Coin Offering

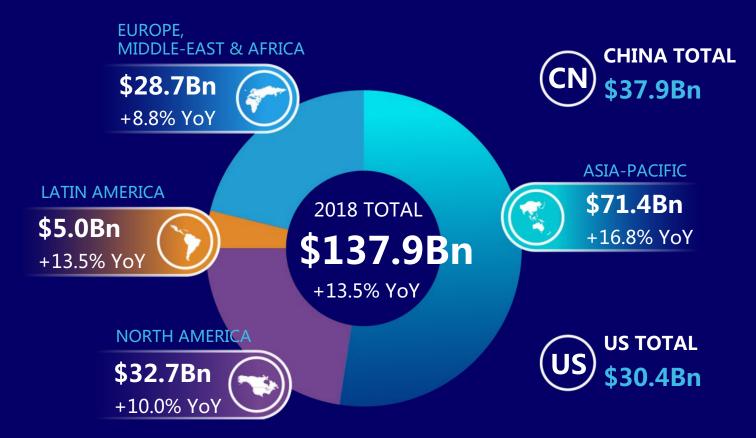

Fairox Membership Coin is the world's first decentralized Coin.

By distributing all Coins to members in the initial stage, Fairox Membership Coin will become a fair and transparent community-based ecosystem Coin.

Fairox Compensation Plan

When you Join Fairox membership

Compensation plan is applied at 80%:20%.

- 80% of the new member's sales will be applied (distributed) to the current compensation plan.
- The remaining 20% of the sales will be automatically applied to the exchange's FOMC/USDT buying market, and FOMC coins of equal value are then distributed to the respective new members.
